

The Tuesday Lighthouse Group League (11th Season) 2014

Date:

Location:

Show Time: 9:30 AM

Cost: \$20.00

Tee Time: 10:00 AM

Game Play: Team Scramble. Each person must have at least one (1) of their drives used by the team. Check the hole corresponding to the player's name to reflect who's drive was used on the hole. First and Second place teams will be paid, in addition to the "birdie" hole, a "chip-in" hole, and "Closest-to-the-Pin" for Men and Women. First and Second place will be awarded based on the lowest total score recorded. In case of tied scores, the total number of putts will be used to determine the winning team. If there is still a tie, the lowest hole score, beginning with the first hole and continuing through the holes in order will be used to determine the winning team.

Selected shots may be moved no more than one(1) club length but must remain in the same lie (rough, fringe, sand trap, hazard) and must not be moved closer to the hole. Putts may be moved one putter head, no closer to the pin on the green. If a player taps in a putt before all team members have putted, the hole is completed with that score and the remaining player may not putt. All balls must be putted, no "gimmes" are permitted.

Standard rules of golf are observed. No balls may be rolled on the green to test the speed. Balls may be lifted, cleaned, and placed for play, but a lie may not be "built" or improved by teeing or setting in a condition that improved the lie from the selected position (an exception allows a drop from a "ground under repair" marked area, by dropping the ball with arm extended shoulder high within one (1) club length of the area.

Birdie Hole: Hole # is the designated "birdie hole." The first team will place the proxy holder at the hole and the last team will pick it up. Multiple team birdies on the hole will cancel the birdie and that money will be carried forward to the next play date. *An Eagle wins over a Birdie.*

Chip-In Hole: from rough or fairway and any surface that is not considered first, second, or fringe cut next to the putting surface. Multiple team chip-ins will cancel the chip-in and that money will be carried forward to the next play date.

Closest-to-the-Pin: Hole # is the designated hole for Men and Women Closest-to-the-Pin. Measure the length from the pin (ball must be on the putting surface) and record on the proxy card. The first team will post the proxy and the last team will pick it up.

Long Drive: Hole # will be the Men Long Drive hole. Hole # 8 will be the Women Long Drive hole.

Tees: Men will play from the White tee set, Women will play from the Red tee set.

Team "Captains" are highlighted in red. Team captains are responsible for scoring and rule compliance.
