

August 24, 2016 update

2016 Engineer of Record of Record Report as presented to City Council August 16th is posed below this update. It shows projects that have been completed and those being worked or planned this year.

The DDA is interviewing candidates to replace Patrick Kay today in the Council Chambers of City Hall at 2:00 and 4:00 PM. There are two applicants being interviewed and a “meet and greet” will be held at the Ramsdell at 5:00 PM following.

Old news – Erin Pontiac was appointed to fill the vacant seat on Council created by Eric Gustad’s resignation. This is a temporary appointment until the November elections, but Erin is the only candidate that filed and will be on the ballot. I requested the appointment because I felt the City is best served with a full seven-member Council. Erin has served on the Board of Review and is Vice-Chair of the Parks Commission. I welcome her to the Council and support her efforts to become a full member of City Council in the November elections. There remains no filed candidate(s) for the 1st District, but write-in candidates may make application to run for this seat (must live in the 1st District). I know an individual who has expressed interest and may file today – they will not appear on the ballot but I’ll provide information and will be supporting this individual. Roger Zielinski and myself are filed and will be on the ballot in November for reelection – we appreciate your support and I completely endorse Roger for a second term.

Thank you for your support - Jim
